

We're proud to be setting the gold standard.

KB Home Austin—certified for quality assurance. 5 YEARS IN A ROW!

2006
2007
2008
2009
2010

KB Home was certified for compliance with NHQ (National Housing Quality) Program requirements for:

- effective and consistent building techniques
- quality assurance systems
- quality business practices
- customer service

The NAHB Research Center promotes innovation in housing technology to improve the quality, durability, affordability and environmental performance of homes and homebuilding products. For more than 40 years, the Research Center has established itself as the premier source for reliable, objective information on housing construction and development issues. The Research Center seal is recognized as a mark of quality.
