

Conserving our natural resources is more important than ever.

KB HOME INTRODUCES THE FIRST WATERSENSE® HOMES TO TEXAS!

WaterSense is design to make it easier for you to conserve water and save on utility bills.

WaterSense-labeled homes are independently inspected and certified to ensure EPA criteria are met for both water efficiency and performance. A WaterSense-labeled new home built in one of KB Home's communities is designed to use **20% less water** than a typical new home inside and out.

Visit Legends Village in Round Rock today and discover the benefits of WaterSense.
